Kelly was a killer with the words she chose
I said, oh, oh, oh, oh, oh
Kelly was a victim sadly no one knows
I said, oh, I still think about her sometimes

She was a victim of a terrible heartbreak
Betrayed by her best friend
Who's out with a new crowd

Oh, Killer Kelly
The choices your making
The walls that you're building
I know what you're thinking

Killer Kelly x 4
Woah, now you know
You're Kelly
Only Kelly
Just Kelly
Woah, now you know

Kelly was a daughter daddy thought he knew
I said, oh, oh, oh, oh, oh
Lies are so convincing when they come from you
Oh Kelly Kelly, Oh Killer Kelly

Well she was a victim of something much deeper
It's certain to sink her, but I beg to differ
Oh, Killer Kelly
The choices your making
The walls that you're building
I know what you're thinking

Killer Kelly x 4
Woah, now you know
You're Kelly
Only Kelly
Just Kelly
Woah, now you know

She thinks about it sometimes
When shes on her own

Late night at her home
Feeling all alone
She can't wait until sunrise
Sadly no one knows
what Killer Kelly knows
She keeps it a secret

Well she was a victim of something much deeper
It's certain to sink her, but I beg to differ
Oh Killer Kelly, you're thinking of changing
You're thinking of saving who you once were

Killer Kelly x 4
Woah, now you know
You're Kelly
Only Kelly
Just Kelly
Woah, now you know
