Johnny and Jesse: Falling asleep under the stars  
Your heart was a place that I called home

Jesse: Oh the days of the summer  
Oh do you remember?  
(Johnny: where are you now?)  
Jesse: Oh the days of the summer  
When you said forever  
(Johnny: where are you now?)

Jesse: Baby I know you hate being alone  
Nothing will ever be the same  
At least for now  
Cause you chose what you want

Johnny: And not what you need  
You better believe it  
I'm gonna leave this town  
I need some time to think this out

Jesse and Johnny: What the hell  
Am I supposed to do with you?

Johnny: Will I see you when I get home?  
(Jesse: will I see you someday?)  
Johnny: Will you even pick up your phone?  
(Jesse: will I see you again?)

Johnny: Or should I just leave you alone?

Johnny and Jesse: Falling asleep under the stars  
Your heart was a place that I called home

Jesse: All the time spent together  
I'll always remember  
(Johnny: where are you now?)  
Jesse: All the nights of the summer  
That felt like forever  
(Johnny: where are you now?)

Jesse: Baby I know you hate being alone

Nothing will ever be the same  
At least for now  
Cause you chose what you want

Johnny: And not what you need  
You better believe it  
I'm gonna leave this town  
I need some time to think this out

Jesse and Johnny: What the hell  
Am I supposed to do with you?

Johnny: Will I see you when I get home?  
Oh I'm praying I make it home
