I was hoping for a good weekend  
Just one for us to have

Spending time with family  
Never once you'll be away from me

But now I'm facing a giant, A mountain  
I'm caught in the middle of a storm  
What to do

I can't hang on to you  
So I'm letting go

Right Here, Right Now  
I don't wanna face this  
I don't know if  
I'll be running faithless

Right Here, Right Now  
Unsure if I can take this  
Hear me out, Find me out

I was hoping for a perfect  
Or one where I'm alive

Spending time with the ones I love  
Never once I'll change the way I think

Now I'm facing a giant, A mountain

I'm caught in the middle of a storm  
What to do

I can't hang on to you  
So I'm letting go

Right Here, Right Now  
I don't wanna face this  
I don't know if  
I'll be running faithless

Right Here, Right Now

Unsure if I can take this  
Hear me out, Find me out

Wish upon every falling star  
That the darkness fades away  
Cause every thing inside the wishing well  
Won't save me, save me

Right Here, Right Now  
I don't wanna face this  
I don't know if  
I'll be running faithless

Right Here, Right Now  
Unsure if I can take this  
Hear me out, Find me out
