I wanna spend the weekend with you
I wanna spend the weekend in your eyes
I wanna spend the weekend with you
And only you

Cause together
We've been fightin the bad things
Scarin away all the bad dreams
Bringing back all the things we love

Cause together
We beat the thick and thin
Together there's no chance we couldn't win
Baby, I would've given up long ago

If it wasn't for you with me with you
If it wasn't for you with me with you

I wanna spend the weekend with you
I wanna spend the weekend in your eyes

I wanna spend the weekend with you
And only you

Cause together
We've been fightin the bad things
Scarin away all the bad dreams
Bringing back all the things we love

Cause together
We beat the thick and thin
Together there's no chance we couldn't win
Baby, I would've given up long ago

If it wasn't for you with me with you
If it wasn't for you with me with you
