Verse

I've been down
Down so long
But those days are gone now
I've got the will
I've earned the right
To show you it's my time tonight

Chorus

It's my time
It's my time
My moment
I'm not gonna let go of it
My time
It's my time
And I'll stand proud
There's nothing I'm afraid of
I'll show you what I'm made of
Show you all it's my time now

Verse

I'll break through
I've made my move
And my faith is strong now
I've got the heart to reach the heights
To show you it's my time tonight

Chorus

It's my time
it's my time
My moment
I'm not gonna let go of it
My time, it's my time
And I'll stand proud
There's nothing I'm afraid of
I'll show you what I'm made of
Show you all it's my time now

Bridge

I've got the will
I've earned the right
Tonight...

tonight

Chorus

It's my time

it's my time

My moment

I'm not gonna let go of it

My time

it's my time

And I'll stand proud

There's nothing I'm afraid of

I'll show you what I'm made of

Show you all it's my time now

show you all its my time now
