Hey Yeah
No
I Cant Lose If i dont fight
Im not wrong if this feels right
You cant go if i dont go
You cant quit if i say no
I cant fail if i dont try
I cant decieve if i dont lie
You step forward then i step back
You cant act if i dont act

And you say im living in a dream
state i gotta go my own way
but i aint lettin' this slip now
oh not now

I dont wanna wake up
cant let go of me yet
cant you see that
i dont wanna wake up
cant say this is over
dont you know that

cause ive been workin'
too hard for this for too long
put in my heart and risked somemore
I dont wanna wake up
cant let go of me yet
cant you see that
I need you
you you you

you dont know and im so sure
you cant leave and take my all
and i cant lose it if i dont find
i aint wrong if this feels right
then you say i should be movin' on
but i, i got no way to go
without you so im stayin'
oh im stayin'

cause i dont wanna wake up

cant let go of me yet
cant you see that
i dont wanna wake up
cant say this is over
dont you know that

cause ive been workin'
too hard for this for too long
put in my heart and risked somemore
I dont wanna wake up
cant let go of me yet
cant you see that
I need you you you
only you you you
i want you you you

cant you see that
no one else will
let nobody hurt you
i will do anything
i will go anywhere
baby yeah yeah yeah

I dont wanna wake up
cant let go of me yet
cant you see that
i dont wanna wake up
cant say this is over
dont you know that

cause ive been workin'
too hard for this for too long
put in my heart and risked somemore
I dont wanna wake up
cant let go of me yet
cant you see that

i need you
