I give up my world  
And giving it up, it ain't easy  
I give up my life  
And giving it up, it ain't easy  
I give up everything I have  
Even give this heart of mine.  
I would give up my soul  
Giving it all for you.  
I give up my time  
And giving it up, it ain't easy  
I give up my mind  
And giving it up, it ain't easy  
Give up everything I have  
Think about this heart of mine?  
I would give up my soul  
Giving it all for you.
