The day begins  
Riding a rainbow  
Bow in her hand  
To drive away  
The night again,  
Nothing has changed.  
And all around  
People are waking  
King of them all  
Has gone to rest  
He passed the test,  
Leaving the stage.  
Time goes sailing on,  
Slowly the crowd will appear,  
And into their ears,  
The song they'd love to sing forever.  
Tomorrows come,  
Tonight lives on for years.  
The time has come  
Follow the spotlight  
Lighting the scene  
Another world  
The flags unfurled  
Into the sky.  
And in the air  
Music is playing  
Ingots of gold  
Fall to the ground  
Creating sound  
Into the night.  
Time goes sailing on  
Into the light disappears,  
And still in the ears,  
The song they'd love to sing forever.  
Tomorrows come,  
Tonight lives on for years.  
Under a setting sun  
Spirling shadows away,  
Wonderous people run  
Watch as the band start to play  
The song they'd love to sing forever.
