Free
I am free
Free
Free
I am free
Free

There's a song I want to sing
There's a bell I want to ring
I like to have this feeling
Everywhere I go
There's a story I want to tell
I want to laugh and wish you well
Every place that I go is easier with you

(Freedom)
I am free
(Free)
Free to express myself
(Freedom)
Around the world and on main street
(Free)
I am free to live my dream
(Oh Freedom)
I am free
(Free)
Free to express myself
(Freedom)
Around the world and on main street
(Free)
Everybody should be free
(Ooh)

I am free

I like to travel on a whim
There's an ocean, I'm diving in
Life is for the living
And that's what I'm gonna do yeah
I'd like to do it all with you
I'd like to see this dream come true

I'm giving all I'm giving
(Give it on, give it on)
Cause that's what I'm here to do yeah

(Oh Freedom)
I am free
(Free)
Free to express myself
(Freedom)
Around the world and on main street
(Free)
I am free to live my dream
(Oh Freedom)
I am free
(Free)
Free to express myself
(Freedom)
Around the world and on main street
(Free)
Everybody should be free, yeah
(Free)

In every situation
(Oh)
I'm doing what I believe
(doing what I believe)
Cause I don't have the patience
(Oh)
Of living the life that's in between
(living the life that's in between)
Love is all that really matter
As I live and breathe
(as I live)
So give it get it to be happy
Shining down on you and me
Come on people set it free
Everybody should be free, yeah
(everybody should be free)

Alright (Freedom)
Freedom
(Free)
Freedom
(Freedom)
Oh, yeah
(Free)
Wanna be, wanna be able to say
(Oh freedom)
Eh-yeah
(Free)
(Freedom)

(Free)
Woah, woah yeah

(Freedom)
I am free
(Free)
Free to express myself
(Freedom)
Around the world and on main street
(Free)
I am free to live my dreams
(Oh Freedom)
I am free
(Free)
Free to express myself
(Freedom)
Around the world and on main street
I am free to live my dream

(Freedom) From New York to LA I see
(Free)
(Freedom) Got to express yourself today
(Free)
(Oh freedom) From Paris France, to Kingston town
(Shoop)
Everybody should be down

(Freedom) Beijing to St. Petersburg
(Shoop) Everybody spread the word

(Freedom)
I'm talking freedom
(Shoop)
(Freedom)
Oh yeah
(Shoop)
