Looking to the sky, wishing for a sun
Lowering the high before the trip's begun
Passing time, acting blind, taking the easy way out
Everyday you spend wasting away
You don't care what life's about

But you will one day
You will one day
You'll be hurting some day
You will one day

Said, you'd be the one
Said, you'd always be there
But you're caring for none
And your promises, they drift into the air

Every night you want to start a fight
Trouble's what you're made of
You can't be tied, you can't look inside
Don't want anyone to love

But you will one day
You will one day
You'll be hurting some day
You will one day

Passing time and acting blind
Taking the easy way out
Everyday you're wasting away
Don't care what life's about

But you will one day
You will one day
You'll be hurting some day
One day

You will one day
You will one day
You'll be hurting some day
You will one day

You will one day

One day
You'll be hurting some day
One day

One day
One day
Some day
One day

One day
One day
Some day
One day
