I feel like I am dirt to you  
You hate me cause I love you  
Tell me why I'm so low to you  
Didn't I mean anything

Does it make you happy to see me sad  
To break my heart and leave

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

Your happiness is my sorrow  
My sorrow is my way  
My life is a failure  
Growing bigger everyday

Does it make you happy to see me sad  
To break my heart and leave

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

I got something to tell you.

I don't love you anymore.  
I'm seeing someone else now.  
I don't love you anymore.  
I love someone else.  
I hope you don't mind and we still can be friends.  
No, I love you!

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone

Here we are  
You and I  
In the sun  
In the sun  
In the sun we're gone
