Originally performed by Jevetta Steele. Jeff performed it live with Gods and Monsters (the group formed by him and Gary Lucas) at the Knitting Factory, New York, on August 15, 1992.

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little caf? just around the bend

I am calling you
Can't you hear me
I am calling you

A hot dry wind blows right thru me
The baby's crying and can't sleep
But we both know a change is coming
Coming closer sweet release

I am calling you
I know you hear me
I am calling you oh
