Don't don't, don't, don't don't try to blow out the sun for
me
baby I'm not hoping for what I know and can't be
All That I ask is for a smile each day
And i'll give you love that will never go away
Yes i will X2
Little babe i wouldn't ask you to lift up this great big
world
Litle baby X2
I know you're not that kind of girl
All that I ask is for a kiss or two
And nothing in this world would be too good for you
Coz nobody, nobody,nobody,nobody,nobody knows,
nobody knows
How deep for you my love really goes
But girl I want you to know
I wouldn't ask you to hold back the door, babe the door
baby
Thats just a little too much to ask of anyone
All that I ask
Is for your love, love,loving ways
And i'm gonna stand by you for the rest of your natural
born days
days
Do you hear me talking to you
I'll keep you happy
I'll keep you happy for the rest of your days mamma
Coz nobody nobody nobody nobody nobody knows
How deep my love for you really goes
(moves to Kangaroo music)
I first saw you
you had on blue jeans
Your eyes couldn't hide anything
I saw you breathing oh
I saw you staring out in space
I next saw you
You were at his party
Thought you was a queen
oh so flirty
I oh came against
Didn't say excuse

Knew what I was doing
We looked very fine
As we were leaving
As we were leaving as we were making love,
As we were making love, we we making love, babe
Like St Joan
Doing a cool jerk
Oh I want you, yes I want you, yes I want you
Lord , oh lord, oh I want you
Like a Kangaroo, oh yes yes,oh,oh,ohah
Love,love,love,turn me
love,love,love,love,love,yeah
love turn me on
turn you all over
with my thumb on your tongue
Rest your pretty heels on my shoulder
You got me shaking like a bed
On a a hardwood floor
In a lovers room
Your love is like sweet dark chocolate yeah
melting in my pocket
You got me shaking like a lovers bed on a hardwood
floor oh
There you stare, the finger twisting your red hair,oh
Your accusations flying from you oh
You call me a liar,a cheater, you call me a whore,oh
well
you call me a liar, call me a liar, call me a liar, cheater,
cheater, and a
whore
You call me a liar, call me a cheater and a
motherfucking whore

a whore oh
Baby I'm all of what you say and so much more

Everybodys got to fuck
Every man has to be the devil
Every womans has to feel like she's been slapped
around
Everybodys got to live with their own demons in the
same house
Everybodys got to feel like they're the only one
Everybody wants to be loved X3
Dont you want my love X5

But your kisses are just like heaven
Oh you look so beautiful
when you're walking out on me love
oh with nothing as tender
as when I wake up in your hair
when I wake up in your arms
I swear upon my blood I understand you

Sometimes a man must be
all his woman feels he could be

And I'm not afraid to know you
