(J. Buckley/M. Grondahl/M. Johnson)

There is a child sleeping near his twin  
The pictures go wild in a rush of wind  
That dark angel he is shuffling in  
Watching over them with his black feather wings  
unfurled

The love you lost with her skin so fair  
Is free with the wind in her butterscotch hair  
Her green eyes blew goodbyes  
With her head in her hands  
and your kiss on the lips of another  
Dream Brother with your tears scattered round the  
world.

Don't be like the one who made me so old  
Don't be like the one who left behind his name  
'Cause they're waiting for you like I waited for mine  
And nobody ever came...

Don't be like the one who made me so old  
Don't be like the one who left behind his name  
'Cause they're waiting for you like I waited for mine  
And nobody ever came...

Don't be like the one who made me so old  
Don't be like the one who left behind his name  
'Cause they're waiting for you like I waited for mine  
Nobody ever came  
Nobody ever...

I feel afraid and I call your name  
I love your voice and your dance insane  
I hear your words and I know your pain  
With your head in your hands and her kiss on the lips of  
another  
Your eyes to the ground and the world spinning round  
forever  
Asleep in the sand with the ocean washing over
