(L. Cohen)

Originally contained in Leonard Cohen's Various Positions

Hallelujah

I heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?
Well it goes like this:
The fourth, the fifth, the minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
And she tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well, maybe I've been here before
I've seen this room and I've walked this floor
I used to live with alone before I knew ya
And he's seen your flag on the marble arch
But love is not a victory march
Says it's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

There was a time when you let me know
What's really going on below
But now you never show that to me do ya
Well remember when I moved in you
And the holy dove was moving too
And every breath you drew was Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
Well it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah
Hallelujah, Hallelujah, Hallelujah, Halle...
It's not what you're told
It's not her face
It's not his touch
In the room you both share
When he's gone when he left
When your time and your memory fills your dreams
When you're honest and together
Together no more
No more
Hallelujah, until you're nothing
Hallelujah, baby, until she's everywhere
Hallelujah, until together you are somewhere I'd lost
Hallelujah, Hallelujah.
