(morrисsey/j.marr)

Originally performed by the smiths. jeff performed it several times, usually in medley with hallelujah or with kangaroo.

Oh mother, I can feel the soil falling over my head  
And as I climb into an empty bed - oh well, enough said  
I know it's over still I cling, I don't know where else I can  
go

Over and over.....

Oh mother, I can feel the soil falling over my head  
See the sea wants to take me, the knife wants to slit  
(cut) me

Do you think you can help me

Sad veiled bride please be happy - handsome groom  
give her room

Loud loutish lover treat her kindly though she needs  
you

More than she loves you - and I know it's over - still I  
cling

I don't know where else I can go - over and over.....

I know it's over and it never really began but in my  
heart it was so real

And she even spoke to me and said

"if you're so funny, then why are you on your own  
tonight? "

"and if you're so clever then why are you on your own  
tonight? "

"and if you're so very entertaining then why are you on  
your own tonight? "

"and if you're so very good looking, then why do you  
sleep alone tonight? "

I know - 'cos tonight is just like any other night - that's  
why you're on

Your own tonight

With your triumphs and your charms - while they're in  
each other's arms

It's so easy to laugh it's so easy to hate it takes  
strength to be gentle

And kind - over and over....

It's so easy to laugh it's so easy to hate it takes guts to  
be gentle and

Kind - over and over....  
Love is natural and real - but not for you my love not  
tonight my love  
Love is natural and real - but not for such as you and I  
my love  
Oh mother... etc.
