What in the world was i thinking,
when i went and bought you those flowers and candy,
i was thinking that every girl wants a nice guy,
someone she can trust, but i guess i was not right.

what is wrong with me?...
or do i have to be...
a jerk so you'll want me...
a jerk so we can be...together happily and this time i will
use you
and if you ask me nice, then i'll even abuse you
frequently i'll tell you, your fat and annoying,
frequently i'll tell you i don't want a girlfriend.

what is wrong with me?...
or do i have to be...a jerk so you'll want me
a jerk so we can be...together happily...
and i won't ever call you,
and i will cheat on you whenever i want to
after that i'll tell you i'm sorry, forgive me
then i don't know why but you want to be with me

what is wrong with you?
its sad but it is true,
you're forcing me to play, the same old stupid games,
cause you want what you can't have,
so i have to treat you bad,
i don't mean to be so mean,
but you're forcing me to be...a jerk so you'll want me
a jerk so we can be...together happily
together happily

then you'll leave me, and you'll find a man
who'll love you so much he'll ask for your hand
gonna call my mum and treat you like you're trash
i don't know why but you'll still want me back.

what is wrong with you?
it's sad but it is true,
you're forcing me to play, the same old stupid games,
cause you want what you can't have,
so i have to treat you bad,

i don't mean to be so mean,
but you're forcing me to be...a jerk so you'll want me,
a jerk so we can be...together happily...
together happily, we'll be together happily.
