-----  
Good-bye Good-bye. Go ahead and cry  
If you're not happy then neither am I  
Good-bye Good-bye. Go ahead and cry  
No matter what I do you're never satisfied  
If you tried your best and you gave it all you got  
And you thought things were going pretty good  
And she tells you that they rot  
Well I tried my best. I gave it all I had  
I thought things were going great, but she said...  
I told her...  
Good-bye Good-bye. Go ahead and cry  
If you're not happy then neither am I  
Good-bye Good-bye. Go ahead and cry  
No matter what I do you're never satisfied  
I gave you time, I gave you love  
I gave you things you were without  
When you told me up was down,  
I gave you the benefit of the doubt.  
Excuse me if I'm wrong  
Take this with a grain of salt  
But why am I always the one to apologize  
When we both know it's your fault?  
Good-bye Good-bye. Go ahead and cry  
If you're not happy then neither am I  
Good-bye Good-bye. Go ahead and cry  
No matter what I do you're never satisfied  
We argue back and forth, it's always the same  
You win again baby, I'm tired of this game  
Though it might be your court, it's my ball  
You say Satan's got ahold of me, 'n soon I'm gonna fall  
But even if you're right, it's my call  
And I'm willing to bet I'm really not such a bad guy after  
all  
Good-bye Good-bye. Go ahead and cry  
If you're not happy then neither am I  
Good-bye Good-bye. Go ahead and cry  
No matter what I do you're never satisfied  
Now there's no direction left to turn  
There's only one door that I have yet to walk through  
And behind that door is another world  
That does not revolve around you

Good-bye Good-bye. Go ahead and cry  
If you're not happy then neither am I  
Good-bye Good-bye. Go ahead and cry  
No matter what I do you're never satisfied  
You're not happy, so neither am I  
And it's me that you're not happy with  
And I'm sick of asking why  
Good-bye Good-bye Good-bye
