-----  
Don't ask me what I'm thinking baby I don't know  
But I'm sure that it is something good  
Don't ask me what I'm thinking baby I don't know  
But I probably wouldn't tell you even if I could  
To stop and explain just would not do  
We'll get to that when we are through  
Right now I'm speechless speechless  
There is nothing to say baby  
I'm speechless speechless  
I cannot talk when my tongue is tied  
I'm speechless speechless  
Feel just like two school kids, naked in the back seat  
I feel a little funny when cars go by, but all they see is  
our feet  
I thought that I could keep control when I tasted your  
kiss  
A million thoughts flow through my mind now I can't  
focus  
Right now I'm speechless speechless  
There is nothing to say baby  
I'm speechless speechless  
I cannot talk when my tongue is tied  
I'm speechless speechless  
Too many people grow older  
And regret they passed the chance  
But I think that it's alright for you and me  
Considering the circumstance  
So, cut the oral presentation  
Stop the vocal romance  
We've spent too much time talking  
Now it's time to dance  
Speechless speechless  
There is nothing to say baby  
We're speechless speechless  
We cannot talk when our tongues are tied  
I'm speechless speechless  
I love it when you talk that way  
Speechless speechless  
Let our bodies do the talking for us  
Speechless speechless  
Speechless speechless
