You give me ev'rything you got  
Then you take it away  
You know you're driving me crazy  
How long will I have to pay?

You keep me waiting endlessly in this misery, hey  
Around and 'round your lovin' goes  
Where it stops, ain't nobody knows

Full circle  
You got me runnin' while you're keepin' me standing  
still  
Full circle  
Anything you want me to do, girl, you know I will

When you cruise down the boulevard  
All the guys know your name  
You got their engines runnin', yeah  
They're all sparked by your flame

You tempt me with your burnin' fire  
Lost in my desire, yeah  
You don't know what you've put me through  
It keeps me spinnin' when I can't have you

Full circle  
You got me runnin' while you're keepin' me standing  
still  
Full circle  
Anything you want me to do, girl, you know I will

It's hard to get you out of my head  
I try to set myself free  
But just like a bad habit  
You always catch up with me, yeah

Around and 'round your lovin' goes  
Where it stops, ain't nobody knows

Full circle  
Got me runnin' in a full circle, I'm goin' crazy  
Full circle

You got me a runnin', girl

Full circle, oh

Full circle

Got me runnin' and I'm full circle

I'm goin' crazy, girl

Full circle

Keep me a runnin' 'round a full circle

Woo

Hey, you got me spinnin' 'round

Ah, yeah

Goin' out of my mind, baby, yeah

Hey
