I forget about the weather  
'Cause I think it simply grand  
Whenever we're together  
Holding my honey's hand

We go strolling by the hour  
It can rain to be the band  
But it's just the April shower  
When I'm holding my honey's hand

Oh, Gosh. Oh, Jee  
We walk and we walk  
Oh, Jee. Oh, Gosh  
We don't have to talk

There's a certain's satisfaction  
That we both can understand  
And that's the mean attraction  
When I'm holding my honey's hand
