"Pennies From Heaven"

A long time ago, a million years B.C.
The best things in life were absolutely free
But no one appreciated a sky that was always blue
And no one congratulated a moon that was always new

So it was planned that they would vanish now and then
And you must pay before you get them back again
That's what storms were made for
And you shouldn't be afraid for

Every time it rains it rains
Pennies from heaven
Don't you know each cloud contains
Pennies from heaven

You'll find your fortune falling all over town
Be sure your umbrella is upside down
Trade them for a package of sunshine and flowers
And if you want the things that you love

You must have showers
So when you hear it thunder
Don't run under a tree
There'll be pennies from heaven for you and me
