"Run Through The Jungle"

Well, I thought it was a nightmare
Well, Lo, it all seemed so true
They told me don't go walkin' slow
The devil's on the loose

Better run through the jungle
Better run through the jungle
Better run through the jungle
Oh, don't look back to see

Well, I thought I heard a rumblin'
Calling out my name
Two hundred million guns are loaded
And Satan cries take aim

Better run through the jungle
Better run through the jungle
Better run through the jungle
Oh, don't look back to see

Now over on the mountain
Thunder magic spoke
Said, let the people know my wisdom
Fill the land with smoke

Better run through the jungle
Better run through the jungle
Better run through the jungle
Oh, don't look back to see

Thank you
