Can you see the light?
Can you see the light of need shinin' in my eye?
Can you see the light?
Can you see the light of need shinin' in my eye?

Well, you know I need you, baby
And I sure ain't gonna tell you no lie

Can you see the light?
Can you see the light of want shinin' on my face?
Can you see the light?
Can you see the light of want shinin' on my face?

You know I want you, mama
Come on, we'll get from this place, now
Look out, yeah

Can you see the light?
Can you see the light of love shinin' from my heart?
Can you see the light?
Can you see the light of love shinin' from my heart?

You know I love you, baby
And I sure want to give this thing a start
Lord

Can you see the light?
Can you see the light?
Can you see the light?
Say
Can you see the light, yeah?
Lord
