girl everything reminded me of you
and all the special things we use to do
since you've been gone girl i've been acting dumb
and i don't know where it's coming from
now someone told me i should just move on
but i can't cos i know our love is strong
and i'm praying that you'll be back with me

i'm going crazy since i let you go
now i'm trippin' without you
and it's hard for me to sleep
i (?)
since you've been gone
since you've been gone
(oh oh oh)

yeah
i know i said i'm crazy bout you
my friends been like what the hell's wrong with you
and i tell them i don't know
but i'm feeling kinda slow
so won't y'all just leave me alone
cos everyday i'm thinking about us
and how it was before i lost your trust
and now that you're gone it feels like i'm homeless
i'm praying come back to me

i'm going crazy since i let you go
now i'm trippin' (trippin') without you (without you)
and it's hard for me to sleep
i (?)
since you've been gone
since you've been gone
(oh oh oh)

listen
i'll be thinking bout you day and night girl
(day and night oh oh)
and there's nothing i wouldn't do to make it right with
you
(to get it right with you)

i'm going crazy since i let you go
now i'm trippin' without you (without you)
and it's hard for me to sleep
i (?)
since you've been gone
since you've been gone
(oh oh oh)

i'm going crazy since i let you go
now i'm trippin' (trippin') without you (without you)
and it's hard for me to sleep
i (?)
since you've been gone
since you've been gone
(oh oh oh)

yeah
it's so hard for me to sleep
baby i can't even eat (no no)
since you've been gone
since you've been gone
