Just in case you're wondering,
How much hurt I can take,
It feels just like I'm stumbling across a line
That I shouldn't break,
So take down all those pictures,
Please, I don't wanna see no fake memories,
Throwing stones at your window, pain,
Standing out in the rain.

I know you feel it 'cos I feel it too,
I close my eyes and I'm right back with you,
Don't have to say it,
It's the game we play,
You stitch me up and it's a shame, shame, shame.

A kiss won't take us anywhere,
Just leave us something to taste,
A dream surrounds us everywhere,
Even though we're both still awake,
Feeling like I don't know you,
Now, who are you, who am I, where are we now?
But maybe we can find a moment
To be standing in the rain.

I know you feel it 'cos I feel it too,
I close my eyes and I'm right back with you,
Don't have to say it,
It's the game we play,
You stitch me up and it's a shame, shame, shame.
& I'd say, when you say, there's no way,
It's such a shame, shame, shame,
& I'd say, with no pain, there's no gain,
And it's a shame, shame, shame.

Don't say the love is over,
Don't say the love is over,
Don't say it's love it's just a shame,
Don't say the love is over,
Don't say the love is over,
Don't say it's love,
It's just a shame, shame, shame.

I know you feel it 'cos I feel it too,
I close my eyes and I'm right back with you,
Don't have to say it,
It's the game we play,
You stitch me up and it's a shame, shame, shame.
& I'd say, when you say, there's no way,
It's such a shame, shame, shame,
& I'd say, whith no pain, there's no gain,
And it's a shame, shame, shame.
