Late at night when all the world is sleeping  
I stay up and think of you  
And I wish on a star that somewhere  
You are thinking of me too

Cos I'm dreaming of you tonight  
Til tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room, dreaming about you and me

Wonder if you ever see me, and I  
Wonder if you know I'm there  
If you looked in my eyes would you see what's inside  
Would you even care

I just wanna hold you close  
But so far all I have are dreams of you  
So I wait for the day and the courage to say  
How much I love you, yes I do

I'll be dreaming of you tonight  
Til tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room, dreaming about you and me

Corazón, no puedo dejar de pensar en ti  
Cómo te necesito  
Mi amor, como te extraño

Late at night when all the world is sleeping  
I stay up and think of you  
And I still can't believe that you came up to me  
And said I love you, I love you too

Now I'm dreaming with you tonight  
Til tomorrow and for all of my life  
And there's nowhere in the world I'd rather be  
Than here in my room, dreaming with you endlessly  
With you tonight  
And there's nowhere in the world I'd rather  
Than here in my room, dreaming with you endlessly  
Dreaming of your tonight, endlessly

And Iâ'll be dreaming
