Dreaming of angels
Dancing in the sky
Moving slow motion
You make me feel so high

I'm lost in space
What a perfect place
Two worlds collide
Into the stars
I'm lost in space
Without a trace
Two worlds collide
Like venus and mars

Spin me in circles
Shine your silver star
Reach out and touch me
Find out who we are

I'm lost in space
What a perfect place
Two worlds collide
Into the stars
I'm lost in space
Without a trace
Two worlds collide
Like venus and mars

Like venus and mars
Ooh yeah we're just like
venus and mars
Ooh yeah

Losing my senses
Holding you so tight
Moving slow motion
At the speed of light

I'm lost in space
What a perfect place
Two worlds collide
Into the stars

I'm lost in space
Without a trace
Two worlds collide
Like venus and mars

Like venus and mars
Ooh yeah we're just like
venus and mars
Ooh yeah

I'm lost in space
What a perfect place
Two worlds collide
Into the stars
I'm lost in space
Without a trace
Two worlds collide
Like venus and mars
