Why don't we just subtract  
All that's in the abstract?  
Let's erase our memories

I always heard the advice  
Don't look into the sunlight  
But I just couldn't breathe

(I went blind)  
I'm so afraid, I'm so worried  
(I went blind)  
Why was it such a hurry?

Well, the finer line you got, good time  
Did seem they'd gotten blurry  
(I went blind)  
I'm still afraid, I'm still worried

Still everyone is so uptight  
Concerned about the afterlife  
Will it be what you want it to be?

Maybe God's just a night light  
Who's there to help us sleep so tight  
But that light's been turned off on me

(I went blind)  
I'm so afraid, I'm so worried  
(I went blind)  
Why was it such a hurry?

What have we got to lose?  
(What are we running from?)  
So suddenly, we're all confused

I never thought that I would have to choose  
(I would have to choose)  
Between rethinking and loving you

Because I went blind  
I'm so afraid, I'm so worried  
(I went blind)

Why was it such a hurry?  
I went blind, I went blind
