Welcome to the Future,  
Blue Print 3  
Ay count me in  
Find me a nice soft place to land  
I'm so high  
Find me a place to land,  
Yeah right there,

I'm so tomorrow,  
The Audemars are yesterday,  
Which means your on time delay,  
So even if I slow it doooooown,  
My sound is fast forward, hold up  
I'm just a runway show  
But I wear this on my plane in my runway clothes,  
Cashmere sweats they come out next year  
But these my last year sweats,  
And my hoe so sick, your new chick can't f-ck with my  
old b-tch,  
And you know this sh-t,  
I'm professional, they know this is,  
I just may let you borrow this,  
This the blueprint n-gga follow this,  
This what what tomorrow is,  
Welcome to tomorrow bÂ—Â-tch,

[Chorus:]

[Drake:]

Whatever you about to discover we off that  
You about to tell her you love her we off that,  
Always wanna fight in the club and we off that,  
But you can't bring the future back,  
Ya'll steady chasing the fame we off that,  
Oversized clothes and chains we off that,  
N-gga still making it rain and we off that,  
Cause you can't bring the future back,  
Tell n-ggas top get off me,  
Cris we off that,  
Timbs we off that,  
Rims we off that,  
[Jay-Z:]  
Yeah We off that is you still on that,

If you still making money cause we still on that,

This ain't black versus white my n-gga we off that,  
Please tell Bill O Reilly to fall back,  
Tell Rush Limbaugh to get off my balls,  
It's 2010 not 1864,  
Ah yeh we come so far,  
So I drive around town hard top and it's off  
Ah and my tribeca loft with my high brow art  
And my high yellow broad  
Ah and my dark skin sis and my best white mate  
Say what's up to to chris,  
Ah, hows that for a mix,  
Got a black president,  
Got green presidents,  
Blueprints in my white ipod,  
Black diamonds in my Jesus piece, My God,  
Ah we ain't tripping off that,  
It's a benetton ad, n-gga been up off that

[Chorus]

[Jay-Z:]

I don't give a fidduuck, abiddout the widday,  
You used to move, what you used to do,  
And I don't give a fidduuck abiddout the b-tches  
That you used to screw  
What your future do,  
And we don't really care what you used to say,  
Unless that affects your future pay,  
I'm on the practice field running two a day,  
So I don't drop the ball when it's threw my way,  
So I don't a fidduck abiddout the sh-t that  
You probably did,  
Who you probably is,  
The only time I deal in past tense  
Is I'm past rims,  
And I'm past tints,  
If you driving it I drove it,  
You got it cause I sold it,  
You copped it and I bought it back,  
And we don't give a fidduck n-gga we off that.

[Chorus]
