[Words by Steve Rowe, Music by Jayson Sherlock, Steve Rowe]

Demon Forces  
They must bow  
Saints of God arise  
And kill deprivation  
Evil bondage  
Will not claim the church of Christ

Brutal warfare  
Brutal warfare

Pain and torment  
Cast from below  
Stand strong with God's armour on  
Inflicted with hate  
Spiritual war  
Christ's the victor know this well

Put on the full armour of God  
Stand against the devil  
We are not fighting men  
But evil forces of a dark age

Rotting minds  
Avenge yourselves  
Submit to God outwitting Hell  
Intense offense  
Awesome victory  
Bludgeon to death bondages

Belt of truth around waist  
Righteousness your breastplate  
Gospel of peace on your feet  
The shield of faith and sword of God

[Eph 6:10-18]

[Mark 16:17]

[Romans 8:13]
