[Words and Music by Steve Rowe]  
[Originally recorded for Mortification]

Disease in your life rots your soul  
Wretched hindrance to your growth in God  
Recycle countless sin, bondage brings  
Wretched hindrance to your growth in God

Look at the young man  
Look at his face  
What is the reason for this change  
Revival in his heart  
Causes havoc for the devil

The destroyer beholds

The destroyer beholds

Your faith infested by the flesh  
Backslidden in your heart you have no time for God  
You don't read the word, what's your case  
Backslidden in your heart you have no time for God

Your God calls your name, you've been saved  
You won't be tempted beyond your strength  
Reach out to His grace, make a change  
You won't be tempted beyond your strength

[Romans 3:23, 8:10; Psalm 51:10; Revelation 3:15-16; 1  
Cor. 10:13 2 Cor. 12:9]
