Liberal mediocrity
Taking from the word is a disgrace
Politically correct
Tickle the ears and kill the faith

Rightly divide the word of truth
Profit for doctrine and reproof
Rightly divide the word of truth
Understand scripture and its use, yeah

Liberal mediocrity
Modernistic tainted by the world
Politically correct
Tickle the ears and kill the faith

Rightly divide the word of truth
Profit for doctrine and reproof
Rightly divide the word of truth
Understand scripture and its use

Read it, live it
The Lord is coming for a spotless church
Repentant, forgiven
Not deceived by words of man

Rightly divide the word of truth
Profit for doctrine and reproof
Rightly divide the word of truth
Understand scripture and its use

Rightly divide the word of truth
Profit for doctrine and reproof
Rightly divide the word of truth
Understand scripture and its use
