Mephibosheth

David made a covenant with Jonathan
A promise of trust, the spilling of blood
Slaughter the heifer, walk between two parts
Off with my head if I break the oath

Mephibosheth
Blood covenant
Come on

Jonathan died in battle
David ascend to the throne
Mephibosheth a cripple
Son of Jonathan lost
Left behind as they fled
Oath of death upon David's head

Mephibosheth
Blood covenant

The search went out for Mephibosheth
Caught, imprisoned, cursing rebel
Brought before King David's throne
Thought that death was imminent

David remembers the covenant oath
He'll show kindness to Jonathan's house
Seen now, as the son of the king
All that was Saul's would now be his

Yeah, alright, come on, tonight, yeah
Here we go

You are Mephibosheth
David, symbolic of God
You're resisting His throne
The blessing of the blood covenant
Christ died for you, you don't even know

Here we go

Mephibosheth
Blood covenant, yeah
