#### Verse 1

Riding free I see the way I feel  
Don't touch my soul the day I bow  
to your low ways, will be the day I never see.

#### BRIDGE A

Leave me, in the Name of my Lord

#### Verse 2

Hoping peace will keep me all the days of my life, I will  
bow  
only to Christ the real life of my being now.

#### CHORUS

The True Essence Of Power

The True Essence Of Power

#### JESUS

#### Verse 3

Surely goodness and mercy will follow  
me all the days of my life  
I serve the King, the founder of my soul.

#### BRIDGE B

With me, always

Jesus, save us

#### Verse 4

Blackness hates my God, I see  
eternal death will come to those who leave the path of  
life to  
follow with evil ways.

#### INTERLUDE

What is the path you see  
Satans plans you death  
to be young, before your time  
Hope is what you need  
Christ planed your life  
to be forever, eternally

#### Verse 2

#### CHORUS
