Welcome to the palodrome  
Mansions in the sky  
Welcome to the palodrome  
Lambs book of life

All these problems count for not  
In the light of eternity

All our cares will be lost  
All our fears will be gone  
The pain on which you dwell  
Is useless to your soul

He's our healer  
Our provider  
He is there  
In our pain

Welcome to the palodrome  
Mansions in the sky  
Welcome to the palodrome  
Lambs book of life

All these problems count for not  
In the light of eternity

All this flesh will be gone  
Our mind won't understand  
But put your hope in love  
His way will be unveiled

He's our comfort  
Our great high priest  
The one we love  
Take pain to your knees

He's our healer  
Our provider  
He is there  
In our pain

He's our comfort

Our great high priest  
The one we love  
Take pain to your knees
