i hate when people
dont respect kids
some need welfare
and people need to
care it aint fair when
the kid is in the street
with no shoes on their
feet and theyare getting
beat there's no need for that
kids need to get feed give them
all what they need give them your
respect give the love they
expect and take sec to cash your
check who do you admired give the
kid what they desire if you dont
you are fire oh i forgot you never
were hire dont be lier ill new
tires.

(chorus)x3

bless a child even

if they within a

mile.

kids need education in

all the nation and all

the generation it dont matter

if there watching world wrestling

fedaration. but they have to

go to school so you wont be fool

so when they graduate you get

congratulate dont hate. I was

the same but i wasnt the to be blame

now im into to fame and im still

the same im into a new game. but i

still hang my hommies haystac we

always play all my tracks matter fact

we just love that. when we are playing

darts in the back yard and talking

to my security guard about retards.

(chorus)x4
