hey yo check it out i got
mouth full of gold every
mourning i wake up with my
mouth cold. if i go to the
club with dubs. there is
nothing to do im not trying
to be rude but im not in the
mood i wont even eat food that
aint good. some people want to be
a ballar but they dont even got one
dollar in their pocket well just
fuck it they cant buy it. my name
is JB any girls want to date me
do you want to be me i dont think
so. i just got the fame i wont be
the same but i still got my game
but it's getting kinda lame i
have to change my name. well i like
where. im from hayward in west street
who ever is not from there get prepar
to get beat and then you will know

me. im just a player not a hater.
i just date her i see you later
you little faker. i hate when people
mug but they will get dogged in the
middle of the night in the fogge.
i want to go to mtv spring break
shake the crowd and make them hey
every day and just getting laid. from all
one of the models. im the m.c. anyone
want to battle im just unstop-able.
i just bought casle. can anybody stop
me i got power i just bought my
expedition eddie baur and just fucked
her. well thats my story and peace to all
