It was kinda bored just
watching al gore so i just
ran to the store and then i
finally open the door of
course anything goes. so
i said give me all the money
in the cash register buster
then i was running faster they
could'nt see me beacause i was just
like casper and ran into a pastor.
but i still didnt get caught so i
took a break ate
some steak and for desurt i had
some cake but my break was over and
went to hide in the lake but was'nt
great cause i had to wait for day
and im still slanging and banging.
(chorus)x4
i was just
slanging and banging
but jigga's be hating.

i slang and bang and i still bank
clank clank the was my a.k i just
had to do it cause it was'nt a
good day and i be rolling in the
bay does anybody got anything to
say just stay a way dont be gay

store just because i was bored
watching al gore what you want
some more then dont slam the

think they got more land but
