sweet little cherry got her hands in her pockets  
and she's waiting for a downtown train  
in her hi-heel boots with the straps hung low  
and her head hanging down in shame  
the wolves dress up just like sheep  
and they go and hit the town  
cherry never see's them  
but they're hanging all around

you'll see, yea i'm tempted by the cherry tree  
you'll see, yea i'm tempted by the cherry tree

sweet little cherry got her switch blade jimmy  
to come and take her down to fourth and main  
her mind in a haze of better days  
before her body was an ad campaign  
now the filthy crooks in pocket books  
are all that cherry see's  
dashboard thug's and backseat haul's  
her down onto her knee's

yea i am tempted, i am weak  
yes i'm too weak to try to speak  
oh, no  
yea i am tempted, i'm ashamed  
oh i'm ashamed, and i'm to blame  
oh, no

you'll see, yea i'm tempted by the cherry tree  
you'll see, yea i'm tempted by the cherry..

sweet little cherry took the last bus home  
in the middle of the pouring rain  
she saw the bad boy's sleeping  
and the good girls weeping  
through the fog on the window panes  
cherry wants to make it right  
but she never has a prayer  
cause as long as there are bad boys  
they'll be penny millionaires

yea i am tempted, i am weak

yea i'm too weak to try to speak  
oh, no  
yea i am tempted, i'm ashamed  
oh i'm ashamed, and i'm to blame  
oh, no

you'll see, yea i'm tempted by the cherry tree  
you'll see, yea i'm tempted by the cherry
