[Hard Black]

Peep the math

Mau Mau be about land and freedom

Reperation and apologies, for Africa to America  
oddesseys

Guerilla-type tactics on them socialistic fallacies

It be about, the devestations of the social doministic  
thought

Keep a brown man down sport

They wantin to keep our (?) set nigga

The way Franz Fanon put it, you lucky I ain't "wretched"  
yet

[Big Black - Mos Def]

Yo, you fucked up in the game now

It's Big Black, Mr. Chairman of the Mau Mau

I hear the world in all-black surround sound

Barricaded so you can't move around now

Doin this for my clan that ain't around now

Buried six feet deep beneath the ground now

My loud sound pound down make the earth crush in  
and bow down

There's faultlines in the ground now - shake 'em down

[Smooth Black - Charli Baltimore]

Black Chevy, Mau Maus, gats ready

BLAOW BLAOW, black deadly, femme fatale

Underground, rats in this rat race

and black race cats sell out to the blackface

and rag grin, laugh not my light skin

be S-M-O-O-T-H from pH

UHH, backseat strappin in

cause I'm the only bitch with Big Black and them

[Chorus: Big Black + Mau Maus]

Who the crew? M-A-U, M-A-U, gun ready

Bout to attack the track when BLAK IZ BLAK

Well how black? BLAK HEART, BLAK MIND, BLAK SOUL

Mau Maus (HOOTIE HOO!) We was born to roll!

Who the crew? M-A-U, M-A-U, aim fire

Bout to attack the track when BLAK IZ BLAK

How black? BLAK WOMB TIL WE REACH THE BLACK  
HEARSE

What's black? - SHADE OF THE UNIVERSE

[Mo Black - Canibus]

Yo, yo

Yo when Mo Black start to black out bitches pass out  
Stick my black dick in they mouth and dig they back out  
Black monk like Thesalonius, the government got a  
black phobia

That's why they tap my black Nokia

Black fathers, black mothers, black brothers  
handcuffed to each other, goin upstate in black buses

Black thugs, wrap drugs in backwoods

Smoke til they got black tongues, black lips and black  
lungs

Blak iz blak, wack MC's get smacked

Forced to go home and dial 1-800-I-CAN'T-RAP

[1/16th Black - MC Serch]

Aiyyo who that? Yo right there
