[Mos Def]

This song is dedicated
to the mothers and the children of the revolution
From Tupac, to Afeni Shakur
and many many more

This is for you
One love, one life

[Mos Def * singing]

Can you see.. the pride of the panther
As she nurtures.. her young all alone
It's the seed.. that must grow regardless
of the fact that, it's been planted in stone
Can you see.. the pride of the panther
In the concrete jungle, alone with her cub
It's the seed.. that must come to harvest
It's the tree.. that must grow out of love
Can you see the pride in the panther
as he glows in splendor and grace?
Toppling obstacles placed
in the way of the progression of his race?
Can you see the pride in the panther
as she nurtures her young, all alone?
The seed must grow regardless
of the fact that it's planted in stone
Can't you see the pride of the panthers
as they unify, as one?

The flower blooms with brilliance and
outshines all the rays of the sun
Keeps bright like the rays of the sun
Carries out like the rays of the sun
Keeps bright like the rays of the sun
Shines bright like a new day begun
