Jeg ser der borte mrke skoger.  
Og jeg hrer triste stemmer grte.  
Jeg ser fremtidens svarte skygger,  
Danse for mine yne.  
Jeg hrer tomheten i Ulvenes jakt-hul.  
Og fler meg tilrugket - til det ukjente  
Jeg ser en trist verden.  
Jeg ser en mrk horisont.  
[English translate: A dark horizon]  
I see over there dark forests  
And I hear sad voices cry  
I see the black shadows of the future,  
Dancing before my eyes  
I hear the emptiness in the wolfs huntinghowl.  
And I feel drawn - to the unknown  
I see a sad world.  
I see a dark horizon.
