[Mos Def]

Bismillah ir Rhman ir Raheem

{In The Name Of God, The Most Merciful, The Most
Compassionate}

What it is, what it is, what it is

What it is

What it is, what it is, what it is

What it is

See me, want me, give me, trust me

Feed me, fuck me, love me, touch me

This whole world is cold and ugly

What we are is low and lovely

I am the most beautiful boogie man

The most beautiful boogie man

Let me be your famous nightmare

Close your eyes and I'll be right there

While...Open...All...Over...A-gain

See me, touch me, give me, want me

Feed me, fuck me, trust me, love me

This whole world is cold and ugly

What we are is low and lovely

I am the most beautiful boogie man

The most beautiful boogie man

Let me be your famous nightmare

Close your eyes and I'll be right there

While...Open...All...Over...A-gain...Ag-ain

Ag-a-in [Fades Out]
