There's nothing more refreshing (that cool refreshing drink)  
Than a cool, crisp, clean glass of water  
On a warm summer's day (That cool refreshing drink)  
Try it with your friends

New World Water make the tide rise high  
Come inland and make your house go "Bye" (My house!)  
Fools done upset the Old Man River  
Made him carry slave ships and fed him dead nigga  
Now his belly full and he about to flood somethin  
So I'ma throw a rope that ain't tied to nothin  
Til your crew use the H2 in wise amounts since  
It's the New World Water; and every drop counts  
You can laugh and take it as a joke if you wanna  
But it don't rain for four weeks some summers  
And it's about to get real wild in the half  
You be buying Evian just to take a fuckin bath  
Heads is acting wild, sippin poor, puffin dank  
Competin with the next man for higher playin rank  
See I ain't got time try to be Big Hank,  
Fuck a bank; I need a twenty-year water tank  
Cause while these knuckleheads is out here sweatin  
they goods  
The sun is sitting in the treetops burnin the woods  
And as the flames from the blaze get higher and  
higher  
They say, "Don't drink the water! We need it for the  
fire!"  
New York is drinkin it (New World Water)  
Now all of California is drinkin it (New World Water)  
Way up north and down south is drinkin it (New World  
Water)  
Used to have minerals and zinc in it (New World Water)  
Now they say it got lead and stink in it (New World  
Water)  
Fluorocarbons and monoxide  
Push the water table lopsided  
Used to be free now it cost you a fee  
Cause oil tankers spill they load as they roam cross the

sea  
Man, you gotta cook with it, bathe and clean with it  
(That's right)  
When it's hot, summertime you fiend for it (Let em  
know)  
You gotta put it in the iron you steamin with (That's  
right)  
It's what they dress wounds and treat diseases with  
(Shout it out)  
The rich and poor, black and white got need for it  
(That's right)  
And everybody in the world can agree with this (Let em  
know)  
Consumption promotes health and easiness (That's  
right)  
Go too long without it on this earth and you leavin it  
(Shout it out)  
Americans wastin it on some leisure shit (Say word?)  
And other nations be desperately seekin it (Let em  
know)  
Bacteria washing up on they beaches (Say word?)  
Don't drink the water, son they can't wash they feet with  
it (Let em know)  
Young babies in perpetual neediness (Say word?)  
Epidemics hoppin up off the petri dish (Let em know)  
Control centers try to play it all secretive (Say word?)  
To avoid public panic and freakiness (Let em know)  
There are places where TB is common as TV  
Cause foreign-based companies go and get greedy  
The type of cats who pollute the whole shore line  
Have it purified, sell it for a dollar twenty-five  
Now the world is drinkin it  
Your moms, wife, and baby girl is drinkin it  
Up north and down south is drinkin it  
You should just have to go to your sink for it  
The cash registers is goin "cha-chink!" for it  
Fluorocarbons and monoxide  
Got the fish lookin cockeyed  
Used to be free now it cost you a fee  
Cause it's all about gettin that cash (Money)

Said it's all about gettin that cash (Money) (x9)  
Johny cash (Money)  
Rosanne Cash (Money)  
Give me cash (Money)  
Cold cash (Money)  
(Repeat to fade)

Cash rules everything around me,  
Move!
