(J. Taglieri & M. Taglieri)

When I look at you all that I see

Is a dream that came true looking right back at me

With a touch of your hand and your warm embrace

It sends shivers down my spine, puts a smile on my face

Can you tell me is this true

Are you what you seem to be

'Cause I just don't want this feeling to end

Give me one more tomorrow

Before you make up your mind

Give me one more tomorrow

Won't you show me that it's true

Don't be afraid to try

When I look at you all that I see

Is the love in your eyes and how you want it to be

But I've been there before and if I hesitate

Please don't take it all to heart, I don't mean to make you wait

Won't you tell me is this true

Are you what you seem to be

'Cause I just don't want this feeling to end

Give me one more tomorrow

Before you make up your mind

Give me one more tomorrow

Won't you show me that it's true

Don't be afraid to try

The time has come for me to wonder

Are you real or fantasy

Are you the one for me

Now I hold you very close

And it feels just so right

This is how I knew it would be

Give me one more tomorrow

Before you make up your mind

Give me one more tomorrow

Won't you show me that it's true

Don't be afraid to try
