That's it for me  
I'm leaving here  
I'm walking out the door  
Don't try to stop me  
You're not the one  
Cause I'm better off without you

I know it's not all that easy  
But baby that's just how it's gotta be

Chorus  
So here I am  
It's how I feel  
I don't want to mess around  
Breaking my heart again  
Here on my own and I believe  
That there's someone out there for me

You're gonna miss me  
When I'm gone  
Just watch me walk about  
But now I'm stronger  
Than before  
And I don't really need you  
I know it's not all that easy  
But baby that's just how it's gotta be

Chorus

Boy you had your chance now  
Boy you really missed out  
It's much to late  
To say I'm sorry

Chorus x 2
