~Solaraged~

[Chorus]

What's a man supposed to be without a girl like you Almost survivor but now i miss you

[Verse - 1]

It's like sixteen years ago

That's when i met you

Bullshit in the house

Man this all that we've been through

You was like a familiar brother to me

When we stepped up in the club you would get it for

free

Yea ??? Air Force like Jordan

Mad skills, fair play just ballin'

Times you spent, big times I can't forget

Doe sadist you.. It's the man I regret

[Chorus]

What's a man supposed to be without a girl like you Almost survivor but now i miss you

[Verse - 2]

He was a good guy.. He was like good felas In the hard times you were the only one there Back in the days it was me and you, me and you, me and you

We used to hose to the lake in the summer time We used to go to the GYM just to spent some time And in the car man We used to spit some rhymes Just like Flip Mo'

[Chorus]

What's a man supposed to be without a girl like you Almost survivor but now i miss you
