Tell me how you gonna act in the club when you turn
around
And everybody packed in the club
When you gettin' turned up, when the song comes on
Gon' head and turn this mother f*** up
If you're feeling real good, go and stand up on the
couch
And look around, everybody like
Hey, What's up?
You are trying to steal my heart,
But I guarantee you that nobody can do it, do it, do it
like us!

I see you shaking it girl
Keep doing it for me!
Dancing like you're naked,
Are you seeing what this gonna be.
If you wanna, we can take it there,
Me, you and your homies
It depends on what you like,
Girl you gotta go with what feels right.

[Chorus:]

I like when they bad
So damn bad
Everywhere they go,
They make them other girls mad
(I like it) Ain't nothing wrong with a bad girl
Yeah! F*** what they say cuz,
Baby I like it (Baby I like it),
Baby I like it (Baby I like it),
Baby I like it (it)
Baby I like it (Baby I like it).
Baby I like it (Baby I like it),
Baby I like it (it)
Baby I like it
All the pretty girls put your hands up

Spend my money, get more dough
But I bet that girl gonna get low,
I need the baddest chick in here,
To take her hands and touch her toes,

I've never seen anybody like you before,
I know I mean I never seen a girl like you now
Keep rocking that think back and forth,
Stop now girl, what you're acting for?
I know, get a little crazy when you sippin',
Girl, you ain't gotta lie to kick it,
I am nothing like the mother f***ers, I am different,
I just wanna see your body move,
Go girl
O.K.!

[Chorus:]

I like when they bad
So damn bad
Everywhere they go,
They make them other girls mad
(I like it) Ain't nothing wrong with a bad girl
Yeah! F*** what they say cuz,
Baby I like it (Baby I like it),
Baby I like it (Baby I like it),
Baby I like it (it)
Baby I like it (Baby I like it).
Baby I like it

All the pretty girls put your hands up in the air,
All the pretty girls put your hands up in the air,
Now all the pretty girls put your hands up in the air,
All the pretty girls put your hands up in the air,

I wanna see who's my favorite (my favorite),
Yeah, you my, you my favorite!
Might I add you look amazing!
By the way you're moving I can't tell you are lazy, baby!

[Chorus:]

I like when they bad
So damn bad
Everywhere they go,
They make them other girls mad
(I like it) Ain't nothing wrong with a bad girl
Yeah! F*** what they say cuz,
Baby I like it (Baby I like it),
Baby I like it (Baby I like it),
Baby I like it (it)
Baby I like it (Baby I like it).
Baby I like it

Baby I like it,
Baby I like it,
Baby I like it,

Baby I like it,
Baby I like it (Baby I like it),
Baby I like it (Baby I like it),
Baby I like it (it)
Baby I like it (Baby I like it).
Baby I like it

All the pretty girls put your hands up in the air (Put your hands up!)
All the pretty girls put your hands up in the air (Put your hands up!)
All the pretty girls put your hands up in the air (Put your hands up!)
All the pretty girls put your hands up in the air (Put your hands up!)
Let's Go!
