she put her tail in a pony tale  
she put her tail in a pony tale  
when she about to ride, up and down, slip side  
want it all night she will provide  
its good every time ain't no surprise  
she hella thick, but that waist small  
she want the d, play ball  
that hair long, i pull on, i grab her neck, be full on  
see that ass bounce like a trampoline  
hit it in slow mo, promethazine  
and you taste so good, whats your recipe  
and you keep your shit hella clean  
its thundering, lightning, she scratching, she biting  
that paper plane on my nice thang, that right there  
thats our flight plan  
(take off)  
girl i got you climbing up the wall, cause you got me  
standing tall  
im in here im going hard like its the playoffs  
your body, your body, i can hardly help myself  
girl i cant stay off  
girl i know you like it when we're body to body  
if i could say myself i do agree  
she tell me when i put my hands on her body  
it feels like its 400 degrees  
i got my hands on her butt, you know i like to touch  
like you really wanna fuck, you know i really wanna fuck  
(yeah)  
girl you know whats up, look down you got me up  
you already know what it is  
every time she give me a hug, i got my hand on her  
butt  
feeling her booty (ohhhhh)  
got my hand on her butt  
feeling on her booty  
we got blue dot, red dot, white dot, that ciroc  
get tipsy give me all she got  
then we barely even made it out the parking lot  
who who am i to tell her or not  
its so good make a nigga wanna tie the knot  
pull up to a red light she don't try to stop  
she dont even care what she talkin bout

thats my allstar, my pornstar  
ride ride fast, foreign car  
she grip the wood uh huh yeah uh huh yeah uh huh  
you you the best she say im the best  
lay on the bed she know the rest  
i got you baby donâ€™t even stress  
yeah girl gon hit the fence  
girl i know you like it when we're body to body  
if i could say myself i do agree  
she tell me when i put my hands on her body  
it feels like its 400 degrees  
i got my hands on her butt you know i like to touch  
like you really wanna fuck, you know i really wanna fuck  
(yeah)  
girl you know whats up, look down you got me up  
you already know what it is  
every time she give me a hug, i got my hand on her  
butt  
feeling her booty (ohhhhh)  
got my hand on her butt  
feeling on her booty
